

THE GOVERNOR GENERAL · LA GOUVERNEURE GÉNÉRALE

March 15, 2019

Her Excellency the Right Honourable Patsy Reddy
Governor General of New Zealand

Excellency,

It is with profound sadness that I learned of the horrific attacks perpetrated against the Muslim community in New Zealand earlier today.

I extend my deepest condolences to you and to the citizens of New Zealand following these senseless and intolerable acts of violence. My thoughts are with all those who have lost loved ones and those who are injured.

I am firmly convinced that New Zealanders will unite in the face of this shocking tragedy and will find the strength to support each other, to grieve together and to care for one another at this extremely difficult time.

On behalf of all Canadians, please accept my deepest sympathies.

Yours sincerely,
